

Wrangler Girl Uniform Pieces

Congratulations on making the team! We will be fitting you for uniform shirts and skirts soon. However, you need to purchase the following boots **between now and May 15th**:

Vintage Justin Red Roper L3055

Justin Boots no longer makes the red roper boots our girls wear. The boots must be special ordered, cost \$198 and it takes approximately 3 months to receive. So, we strongly urge you to do one of these three things:

1. **Search for Vintage Justin Red Roper L3055** on eBay, PoshMark or Etsy to see if you can purchase the red roper boots in your size. Some boots are for sale between \$19 - \$50. Be sure to take notice of the WIDTH of the boot and do not purchase the red ostrich or snakeskin ropers.
2. Purchase boots from a former Wrangler.
3. If you cannot find boots from either of the above mentioned sources, we'll have to special order your boots. Let the uniform chairs know at the May 15th team meeting. In the meantime, you may need to borrow boots for the team picture in May and the partner pictures in August.

Obviously, some of the used boots are scuffed or worn but, the brand new ones will get beat up as soon as you perform in them a couple of times. If you purchase used boots, you can refurbish them for a good price. Deno's Shoe Repair in Highland Park Village (62 Highland Park Village, Dallas, TX 75205) or Rico Hillside Shoe Service (6465 E Mockingbird Ln # 375, Dallas, TX 75214) refurbishes the boots and does a REALLY good job!
